flex office

FLEX is a premium workspace system by North Carolina-based Skram. The range —100% made in N.C.— consists of desking, benching, storage, accessories, as well as conferencing and collaboration options. Natural materials, restrained design, fully-integrated connectivity and wire management, all with Skram workmanship. FLEX is a solution for design-driven projects requiring refinement, performance, and flexibility. FLEX is fully customizable in material, scale, and configuration to suit. Please contact your SKRAM representative to configure.
