

skram

altai sofa

A41 / A42

Altai seating is offered in Armchair, Loveseat, and Sofa variants. Clients may specify upholstery as COM/COL (subject to Skram Upholstery Department approval) or use a graded-in Skram leather or textile. Cushions feature double-needle stitching accents and a 'loose' or unstructured feel for maximum comfort. Metalwork may be in steel or bronze, or steel with bronze accents. Altai seating is suitable for contract or residential use.
